### Amendments to the Application Form

**Identification Of Tree(s) And Description Of Works - Please identify the tree(s) and provide a full and clear specification of the works you want to carry out**

Previous Answers:

My client wishes to apply for a canopy reduction for the mature London Plane tree located in the front garden of the subject property.

The tree is referred to as T1 in the accompanying tree location plan (10347-B Tree Location Plan 2023).

We wish to apply to undertake the following works:

- Reduce the overall height of the tree from circa 21m to 16m;
- Reduce the North canopy from 8.5m to 6m.
- Reduce the East canopy from 10.5m to 6m.
- Reduce the South canopy from 8.5m to 6m.
- Reduce the West canopy from 9m to 6m.

The reason for the proposed work is to reduce this large tree to a more manageable size, as it currently dominates the front of the property and will continue to grow.
