2024/3454/P	karen taubler	25/09/2024 16:04:57	OBJ	<p>1) The proposed 7 storey building will block out my Right of Light as I own a flat next door to this proposed building.</p> <p>2) There is only 3 flats being built in a 7 storey hotel development. In a crucial time of housing shortages, this space, if used for anything should all be used for for essential housing.</p>
