Details of the pre-application advice received

The information you have provided seems acceptable to me, but I won't be able to approve these details and discharge the condition without an approval of details application. For this (and any of the pre-commencement conditions), you will need to submit an application for the approval of details reserved by condition, with the relevant information (in this instance, documentation demonstrating the engineer's accreditation, for example). If you let me know once you've submitted this, I'll be able to pick it up and process it very quickly, as it's a simple one to assess.

## Declaration

I/We hereby apply for Approval of details reserved by a condition (discharge) as described in the questions answered, details provided, and the accompanying plans/drawings and additional information.

I/We confirm that, to the best of my/our knowledge, any facts stated are true and accurate and any opinions given are the genuine opinions of the person(s) giving them.

I/We also accept that, in accordance with the Planning Portal's terms and conditions:

- Once submitted, this information will be made available to the Local Planning Authority and, once validated by them, be published as part of a public register and on the authority's website;
- Our system will automatically generate and send you emails in regard to the submission of this application.

I / We agree to the outlined declaration

Signed
