2024/4009/T 7 Hampstead Lane Hornsey London N6 4RT

REAR GARDEN: 1 x Bay (T1) - Fell to stump height. 1 x Bay (T2) - Reduce height by 1.5m. Trim to tidy.

We regret the inability to comment on this application through the website. The end of consultation date is before the application date.

We also regret the felling of another tree in Highgate. This is against the Highgate Neighbourhood Plan Policy. We would like the applicant to plant a replacement tree. We would also prefer the applicant to refrain from using systemic herbicide. If the applicant is unwilling to grub out the stump, they could use eco-plugs to prevent any regrowth.
