Dear Ms Quigley,

**TOWN & COUNTRY PLANNING ACT 1990 (AS AMENDED)
NATIONAL PLANNING POLICY FRAMEWORK 2023**

British Museum Great Russell Street London WC1B 3DG

Details of archaeological written scheme of investigation (WSI) including methodology of site investigation and details of programme for delivering related positive public benefits required by condition 4a and 4b of planning permission ref 2023/1848/P dated 17/07/2024 for Erection of new two storey building, plus basement and associated works to provide plant and welfare accommodation ancillary to the Museum following demolition of existing building and two storey structures on East Road (to the rear of 9-11 Montague Street and 43 Russell Square).

Recommend Approval of Archaeological Written Scheme of Investigation

Thank you for your consultation received on 09 September 2024.

The Greater London Archaeological Advisory Service (GLAAS) provides archaeological advice in accordance with the National Planning Policy Framework and GLAAS Charter.

Having considered the submitted document (PCA, Jun 24) I confirm it accords with relevant standards and guidance and that it is in compliance with the condition.

Correspondence or information which you send us may therefore become publicly available.

The start date when known should be communicated by the archaeological practice to this office. I will conduct monitoring visits on behalf of your office.

The archaeological condition will not be fully satisfied until all works are complete, including any post-excavation assessment/analysis leading to publication.

This response relates solely to archaeological issues.

Yours sincerely
