Comments; Lorna Russell (Cllr); Anna Wright (Councillor); Camron Aref-Adib  
(Cllr)

**Subject:** Tree Planning comments on weekly lists 805-809. On 30/9/2024

List 805: 2/9/2024

2024/3705/T

42 Chetwynd Road

No objection as permission was granted two years ago during Covid to remove  
this palm tree.

2024/3715/T

33 Dartmouth Park Avenue

No objection to their felling to ground level as both Plum (T1) and Pear (T2)  
trees are dead.

List 806: 9/9/2024

No tree applications

List 807: 16/9/2024

No tree applications

List 808: 23/09/2024

2024/3900/T

6 Dartmouth Park Avenue

SJ Stephen Associate's Survey was carried out in October 2023.

The resultant Arboricultural Report suggested removal of the Box Honeysuckle (S1) as there was subsidence damage to the nearby front bay window. They also advised felling of the Cypress (T3).

They also suggested that a street tree, a Pear (T4), controlled by Camden, was also near enough to influence the subsidence, and should therefore be removed.

2024/3931/T

32A Laurier Road

No objection to the height reduction to 8.0m and the further reductions of the Norway Maple. No objection to the reduction of Himalayan Birch (T4).

2024/3986/T.

Mansfield Bowling Club

Further details needed before I can comment.

2024/4047/ T

In front of 26-24Newcomen House.

No objection to the reduction work on the Plum tree (T1) as it is too near to the property.

List 809: 30th September

2024/4110/T

20 Grove Terrace

No objection to the removal of the Cherry Tree as it prevents the owner from entering his garage in the rear Mews.

Thank you,

Eileen Willmott
