## Condition(s) - Variation/Removal

Please state why you wish the condition(s) to be removed or changed

We submitted the original application and the planning officer suggested we remove the swimming pool from the original application in order to speed up and simplify the planning, as she considered it would need a BIA. She said we could then submit a separate application for the internal pool. The current planning officer has requested that this be submitted as a variation to an existing permission under an S73. He suggested this is added to the existing permission so we have now submitted it.

If you wish the existing condition to be changed, please state how you wish the condition to be varied

We request the phrase "and formation of a swimming pool on the lower ground floor" be added to the existing condition. So it will now read.

Amalgamation of two flats into one single family dwelling. Mansard roof extension with dormer windows, new part two storey rear extension and ground floor roof terrace with rear spiral stair. Alteration to Rear Elevation windows, new Entrance steps to front of property side access gate and new side access steps and the formation of a swimming pool on the lower ground floor.
