2024/4269/P	mr Hendricks	07/10/2024 18:44:21	NOBJ	After careful consideration I think I am in favour of this. All the houses on the odd side of the road have the dormer as does the roads behind us. I don't understand why our houses on the even side can't have these too and im in a top floor flat. So I approve this.
