Reason: - As required by regulation 2(1) and Schedule 2 of the Town & Country Planning (Control of Advertisements) (England) Regulations 2007.

Informative(s):

- 1 Reasons for granting advertisement consent:

The proposed signage is considered to be acceptable in terms of scale, material and positioning and would not appear incongruous in this setting. The proposed signage shall appear similar to the existing arrangement but updated by the existing occupier in accordance with desired branding.

The replacement of the advert surround to the existing ATM shall be installed along with digitally printed ACM wall sign and protective laminate treatments to the windows which are considered acceptable in this setting on Camden Road.

The proposal is not considered to cause any highways safety concerns, nor would it negatively impact on any residential amenity.

The site's planning and appeals history has been taken into account when coming to this decision. No objections have been received.

As such, the proposal is in general accordance with policy D4 of the Camden Local Plan 2017, the London Plan 2021 and the National Planning Policy Framework 2023.

In dealing with the application, the Council has sought to work with the applicant in a positive and proactive way in accordance with paragraph 38 of the National Planning Policy Framework 2023.
