Assessment Update

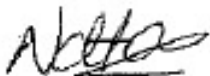

To whom it may concern,

**1 Wadham Gardens  
BREEAM Pre-Assessment Update**

Method Consulting prepared the BREEAM preliminary assessment for the above project to support the planning application. At the time of undertaking this piece of work, the relevant version of BREEAM Domestic Refurbishment was 2014, version 2.2.

We are writing to confirm that the BREEAM Domestic Refurbishment 2014 2.2 version is still the latest and current version. Therefore, the preliminary assessment prepared previously still applies as we understand the scheme remains the same, and no updates are required.

Yours faithfully
