## About your observations

When making your observations please consider the impact the proposals will have on the character and appearance of the conservation area. This will usually be related to physical changes but can include use of buildings. The character and appearance of the conservation area is set out in the conservation area statement it may be useful to refer to it to support your comments.

Please choose one

No objection

Do you have any comments or consider that the proposal is harmful to or does not preserve the character and appearance of the conservation area?

This modest single storey side extension is in line with many others in the CA
