Please state why a Lawful Development Certificate should be granted

The rooflights in question have been installed for over 10 years, and were in place prior to my client purchasing the property in 2007. My Client estimates that these rooflights were installed in 2003 by the previous owner. We have evidence to support their presence for at least the last 10 years, as well as a previous planning application - 2007/5218/P (Camden Local Authority) showing the rooflights being in place on the existing plans/elevations.
