

Statement of Compliance with Policy D12a of the London Plan

This is to confirm that the requirements of Policy D12a of the London Plan have been fully met. The necessary fire safety considerations, as outlined within the policy, have been incorporated into the design and development stages of the project. These include:

- Demonstration of a robust strategy for fire safety that includes passive and active fire protection measures.
- Consideration of means of escape and building evacuation for all users, including emergency evacuation lifts where required.
- Integration of appropriate measures to minimize the risk of fire spread and promote safe access for fire services.

The project has adhered to all relevant guidelines and standards, ensuring compliance with the requirements of Policy D12a.

Signed,
Martin Green
