2024/4773/P	Linus Rees	31/10/2024 13:44:20	WREP	<p>The description of this application does not include reference to 45 Warren Street. The covering letter clearly states:</p> <p>"We write on behalf of our client, Fitzroy House Limited ('the Applicant'), to submit an application for full planning permission for external alterations to the 45 Warren Street, London ('the Site')"</p> <p>Please could the planning department please correct the description of the application so that it states not only 355 Euston Road, but also 45 Warren Street, and 47 Fitzroy Street as the proposals to the Warren Street and Fitzroy Street elevations are significant and face onto residential occupiers and the Fitzroy Square conservation area. This is a large site with three elevations.</p> <p>(Comments made on behalf of Charlotte Street Association).</p>
