

I wish to object to the proposed hotel above the burger restaurant. Holmes Road is already-over subscribed with accommodation. In one form or another. The Stay Club is huge, there is a hostel and about to come a pub with rooms. This is directly opposite this proposed hotel. What kind of hotel has rooms with no windows! The road is too busy either with traffic or pedestrians as there are two schools in Holmes Road. I hope this planning application is turned down as it seems ill conceived Regards Sue Mcneill
