GENERAL

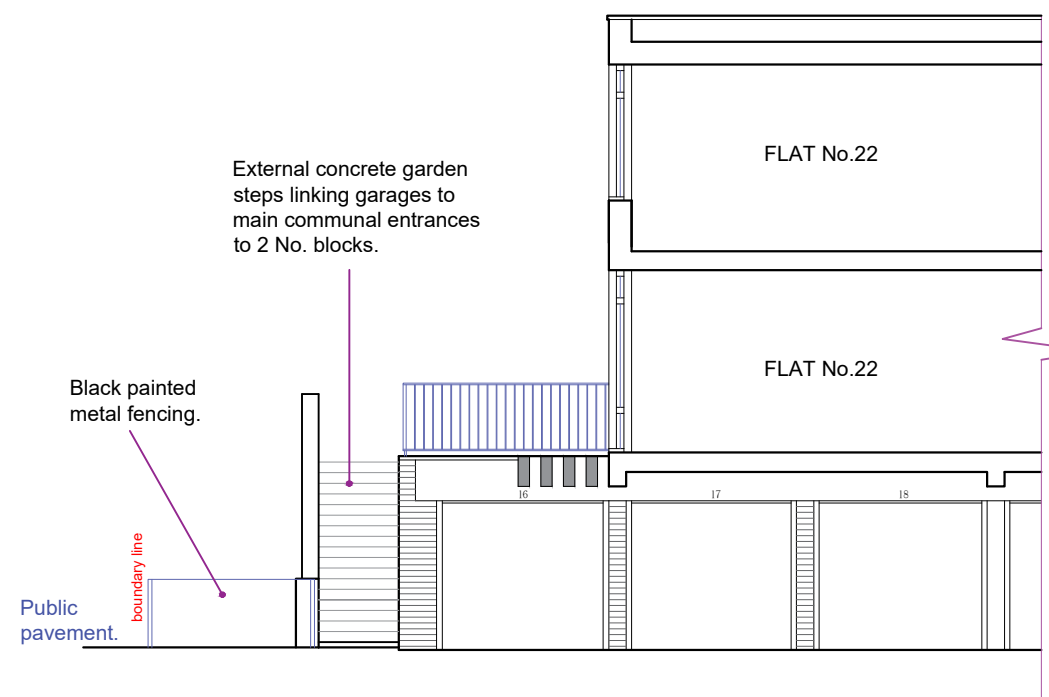

Existing 3-storey purpose built apartment block comprising a reinforced concrete frame with cavity masonry external walls, suspended concrete floors, flat roof and timber framed windows.

The block forms part of a larger residential development that includes a 6-storey detached block located to the east of the subject block within a landscaped plot located at the junction of Netherhall Gardens and Netherhall Way, known as 15-17 Netherhall Gardens.

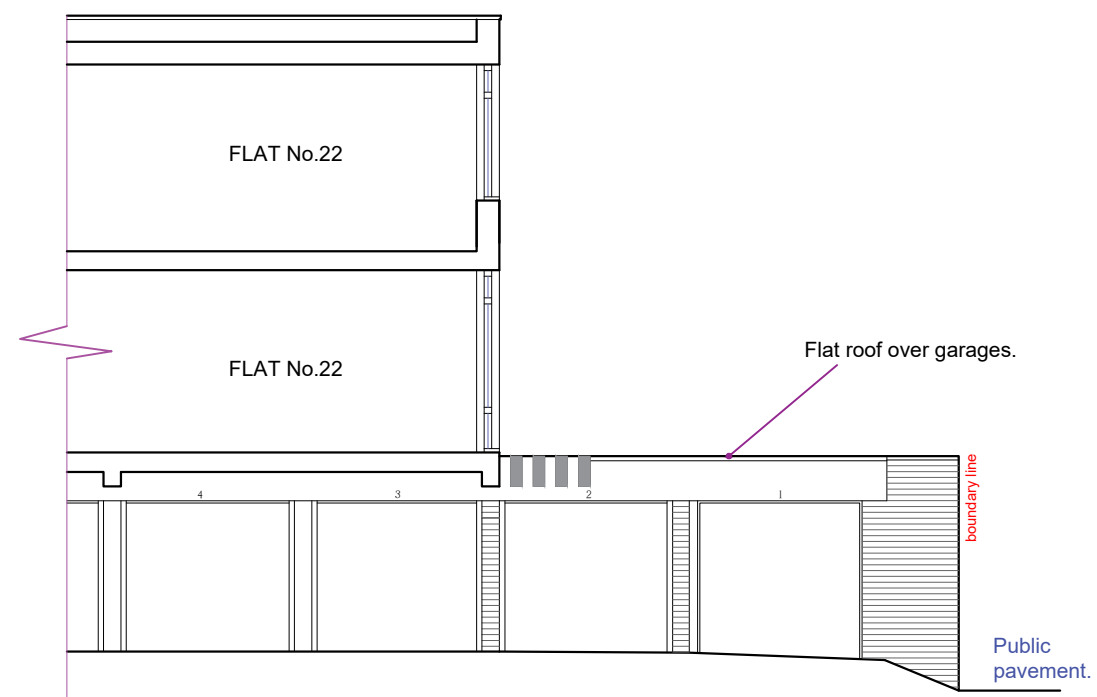

The subject block is built over the communal garages and bridges the private access road that serves the garages. The garages are provided with a vehicular crossover onto Netherhall Way.
