### **Description of the Proposal**

Please note in regard to:

- Fire Statements From 1 August 2021, planning applications for buildings of over 18 metres (or 7 stories) tall containing more than one dwelling will require a 'Fire Statement' for the application to be considered valid. There are some exemptions. <u>View government planning guidance on fire statements</u> or <u>access the fire statement template and guidance</u>.
- **Permission In Principle** If you are applying for Technical Details Consent on a site that has been granted Permission In Principle, please include the relevant details in the description below.
- **Public Service Infrastructure** From 1 August 2021, applications for certain public service infrastructure developments will be eligible for faster determination timeframes. See help for further details or <u>view government planning guidance on determination periods</u>.

#### Description

Please describe details of the proposed development or works including details of proposals to alter, extend or demolish the listed building(s)

This Planning Application seeks approval for a Change of Use from Commercial (Class E use) to a House in Multiple Occupation (HMO) (Sui Generis use), enabling the property to provide hight quality and flexible residential accommodation that supports local housing needs while preserving its heritage value.

The application also requests Listed Building Consent for minor internal alterations to facilitate this change, ensuring compliance with the building's Grade II listed status. These modifications are designed to be minimal and reversible, aligning with best practices in heritage conservation to protect the building's historic character while meeting current Building Regulation standards for residential use.

Do you believe that, if the development is granted permission, the general Biodiversity Gain Condition (as set out in Paragraph 13 of Schedule 7A of the Town and Country Planning Act 1990 (as amended)) would apply?  Yes  No  Biodiversity net gain has been introduced as a general condition for planning permission. As set out in The Environment Act 2021: "grants of planning permission in England [are] to be subject to a condition to secure that the biodiversity gain objective is met". Therefore, in England, all planning permissions are generally subject to biodiversity gain rules, unless they are specifically exempt or out of scope.  If you have stated that the biodiversity net gain requirement does not apply to your application you must provide the reason(s) why, and may also need to supply evidence (especially where you believe the application is eligible for the 'de minimis' exemption).  You can use our partner's free online tool to determine if you are exempt and to produce detailed reasons  Please add all the reasons why biodiversity net gain does not apply and enter a justification for each one  Reason biodiversity net gain does not apply:

Authority Employee/Member
With respect to the Authority, is the applicant and/or agent one of the following:  (a) a member of staff  (b) an elected member  (c) related to a member of staff  (d) related to an elected member
It is an important principle of decision-making that the process is open and transparent.
For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
Do any of the above statements apply?
