2024/4558/T	Roger Low	01/11/2024 13:55:52	INT	<p>I live at 30 Park Village East and share the same wall with 8 Park Village West, the Regent's Park Barracks, and others. That wall has been damaged, recently, by the ash T8 in this Application. There is risk of further damage from that tree and I support, wholeheartedly, its total removal.</p> <p>I, further, support the other actions applied for, in the interests of the trees and the environment.</p>
