2024/4634/T	Sally Rodger	01/11/2024 09:23:13	OBJNOT	These are beautiful mature trees, at least seventy years old and clearly visible from right at the bottom of the road. They add to the streetscape. They are some of the few large evergreen trees on the road and provide many pine cones for wildlife as well as providing shelter for birds and other arboreal animals. Removing two of the three large trees completely and reducing the third is surely too drastic a measure.
