2024/4815/P	Anthony Rothon	06/11/2024 10:34:24	COMMNT	<p>The use of the function room at The Magdala as a social hub hosting a variety of local events has been sorely missed since the upstairs space has been put out of action.</p> <p>The proposed change of use of the upstairs rooms of this popular public house is completely contrary to the best feelings and actions based on community cohesion, and should be resisted at all costs.</p>
