2.2 Letter Plate:.....	3
2.3 Escutcheon .....	4
2.4 Hinges:.....	4
2.5 (Internal side of Door) Black Nightlatch: .....	5

## 1.0 Introduction

ARJ Surveying Services have been commissioned by KBH on behalf of Peabody Housing, the freeholder of Parnell House, WC1A 1JB to compile planning application and Listed Building Consent documents for the replacement of flat entrance doors to the units within the block. This Ironmongery Schedule has been compiled to support the application.

## 2.0 Proposed Ironmongery

The Ironmongery for the original doors is black and has been highlighted as a key feature for replication for the new doors. This schedule therefore sets out the proposed ironmongery for the 14 replacement doors utilising black ironmongery to best match the original appearance of the doors:

### 2.1 Door Knocker:

Black Antique Ring Door Knocker - DURATIQUE  
DKB225
