CHURCH OF CHRIST THE KING GORDON SQUARE LONDON CAMDEN WC1H 0AG

Application No. 2024/3798/L

Thank you for your letter of 5 November 2024 regarding the above application for listed building consent.

Historic England provides advice when our engagement can add most value. In this case we are not offering advice. This should not be interpreted as comment on the merits of the application.

We suggest that you seek the views of your specialist conservation and archaeological advisers. You may also find it helpful to refer to our published advice at <https://historicengland.org.uk/advice/find/>

We have drafted the necessary letter of authorisation (attached) for your authority to determine the application as you see fit and referred the case to the National Planning Casework Unit (NPCU). You will be able to issue a formal decision once NPCU have returned the letter of authorisation to you, unless the Secretary of State directs the application to be referred to them.

It is not necessary to consult us on this application again, unless there are material changes to the proposals. However, if you would like advice from us, please contact us to explain your request.

Please note that this response relates to designated heritage assets only. If the proposals meet the Greater London Archaeological Advisory Service's published consultation criteria we recommend that you seek their view as specialist archaeological adviser to the local planning authority.
