| 2024/4446/P | J Chaproniere | 10/11/2024 20:59:08 | OBJ | <p>Having lived here for well over 60 years the impact this will have on our property and quality of life is not acceptable.</p> <p>The application property has already been extensively extended in the past and has already breached the 45 degree line, however it is set back well away from the boundary.</p> <p>The application proposals will create an even greater sense of enclosure to my property and reduce the existing day light we recieve.</p> <p>The proposed balcony is also unnacceptable even with the suggestion of a side screen.</p> <p>Our privacy, outlook, amenity and quality of life will be affected by these proposals and we trust the council will refuse the scheme for these reasons.</p> |
