- Demolition Key:**
- Denotes wall or full height structure to be removed
 - Denotes slab or element beyond in elevation to be removed
 - Denotes volume of excavation

Notes:

- Scope of works to historic cast iron railings, stone plinths and associated gates at South West Road and South East areas is subject to Acorn Restoration's Method Statement on best practice for dismantling, temporary storage and protection of the stone posts, plinths, low walls and seat, cast iron railings and any associated sub-structure during the period of construction, as well as the reinstatement as existing.
- The British Museum is a Grade I listed building/estate and therefore no works or activity outside of the plans as approved is permitted to be undertaken. If the Contractor is unsure of any issue they are to immediately stop works and seek further guidance.

This drawing is not to be scaled. Dimensions govern. Wright & Wright Architects shall be notified in writing of any discrepancies. All dimensions are in millimeters unless noted otherwise. This drawing issued at First Contract is indicative of design intent and should be read in association with all specifications, schedules and consultation information. The Contractor is required to complete the detailed design, final coordination and interfaces. Contractor and Sub-Contractors design are subject to Architects acceptance.
