Hello

Hope you're well. I'm strongly protesting about the planning application regarding the extension for the above mentioned flat.

Under no circumstances this extension application comply with the other houses in the same road. This is completely illegal and against the current regulations of Camden.

Moreover this will obstruct the view and sunlight to our house. It will also damage beauty of not only the are but also my house. It will instigate a whole process of legal battle against council. If this application is ever been granted than I will challenge the council myself as our application was not granted on 2 occasions for this sort of extension.

Hence i strongly suggest that this application is not compatible to the rules and regulations of Camden council, it will create a detrimental effect on my property and also on to the reputation of Camden council.

I therefore request Camden council planning permission to reject this application for the betterment of the society and to have calm , peaceful relationships with the council.

Many thanks
