**Subject:** Opposition to felling Robinia tree 2024/4221/T

Hi there I am writing to say please do not cut down the Robinia tree on 52 goldhurst Terrace.

This is a beautiful, beautiful tree it's one of the only ones on the street that has the gorgeous yellow leaves that look like petals of a flower and it adds so much to the view. I walk past it twice a day and I would be very grateful if you can find a way to keep it thank you so much.
