Condition(s) - Variation/Removal

Please state why you wish the condition(s) to be removed or changed

This application is a retrospective application; variation of condition 2 will obtain approval for the minor change that has been made to the routing of the ducting on-site. The change to the routing was implemented as it was not possible for the applicant to route the ducting in accordance to what was approved by the Council in original application 2022/4203/P.

The implemented change to the routing of the ducting is nevertheless an improvement to what was previously approved as the ducting is now less visible.

If you wish the existing condition to be changed, please state how you wish the condition to be varied
