Grounds for Application

Information about the existing use(s)

Please explain why you consider the existing or last use of the land is lawful, or why you consider that any existing buildings, which it is proposed to alter or extend are lawful

Flats 3 and 4 have historically been C3 - Dwellinghouse, there are no recent planning records on the Local Authority website, except for matters related to tree maintenance, and the construction of a temporary summer house, which is not there anymore.

Please list the supporting documentary evidence (such as a planning permission) which accompanies this application

Support Statement including: the site description, the original lease plan, the proposal for amalgamation of Flat 3 and 4, the references to relevant legislation and to precedent cases.

Select the use class that relates to the existing or last use.

Information about the proposed use(s)

Select the use class that relates to the proposed use.

C3 - Dwellinghouses

Is the proposed operation or use

- Permanent
 Temporary

Why do you consider that a Lawful Development Certificate should be granted for this proposal?

It is well evidenced within case law and other applications that the proposals which are the subject of this Lawful Development Certificate do not comprise a material change of use, and therefore no 'development' in accordance with Section 55 of the TCPA 1990 would take place. In this instance, it is clear that on these grounds planning permission is not required.
