Dear Mr Hodgson

Arrangements for Handling Heritage Applications Direction 2021

UCL CHADWICK BUILDING GOWER STREET LONDON WC1E 6BT Application No 2024/4997/L

Thank you for your letter of 13 November 2024 regarding the above application for listed building consent. We refer you to the following published advice which you may find helpful in determining the application.

Historic England Technical Advice - Building Services Engineering, Installing New Services (August 2024) with specific reference to the following sub sections:
<https://historicengland.org.uk/advice/technical-advice/building-services-engineering/installing-new-services/>

- Conservation principles and reversibility
- Heating Historic Building

Historic England Technical Advice - Building Services Engineering, Heating and Ventilation (January 2009)

<https://historicengland.org.uk/images-books/publications/heating-ventilation/>

It is not necessary for us to be consulted on this application again, unless there are material changes to the proposals. If you would like detailed advice from us, please contact us to explain your request.

Your Authority should take these representations in account and determine the application in accordance with national and local planning policy and in consultation with your specialist conservation advice. We have drafted the necessary letter of authorisation for your Authority to determine the application as you see fit and have referred this to the National Planning Casework Unit (NPCU) (copy attached). You will be able to issue a formal decision once the NPCU have returned the letter of authorisation to you, unless the Secretary of State directs the application to be referred

Historic England

to them.

This response relates to historic building matters only. If the proposals meet the Greater London Archaeological Advisory Service's published consultation criteria we recommend that you seek their view as specialist archaeological advisor to the local planning authority.

The full GLAAS consultation criteria are on our webpage at the following link:
