2024/4627/P	Michelene Wandor	21/11/2024 14:35:35	NOBJ	<p>I have seen the plans and outlines for this application, and Mr Michael Jampel consulted me at an early stage, and then again when the final plans were drawn up.</p> <p>They look excellent to me - having had work done on my house I can recognise a good plan which will enhance the front elevation of this section of Belsize Lane. There are a number of other houses along the same stretch of the road which have added a second floor, without impeding light or air, and lending our street greater elegance. I heartily support this application.</p>
