2024/4822/P	nadia narain	21/11/2024 20:16:56	COMMNT	<p>this pub has become a problem for the whole street. I have lived here for over 12 years and it has never been as noisy or loud in the time i have lived here. The staff pay no attention to the residents that complain. They let people sit outside drinking until way past 10 pm. Since Covid more people are having to conduct their work from home and it has become impossible on zoom and even on the off hours I cant watch a film on the tv because it is SO LOUD.</p> <p>The Albert has always been a local commodity where locals have gathered and the pub in the past has always been extremely respectful of the neighbours as they clients were residents. Now it is total nightmare. I very much oppose to anything more the pub is wanting to do. And they would have so much more support from all of us if they respected us.</p>
