2024/4627/P	Chris Finch	23/11/2024 09:39:33	SUPPRT	<p>As a local resident who overlooks the property, I fully support this planning application.</p> <p>The proposed home's design and layout have been carefully planned to a high standard and are in keeping with the character of the area.</p> <p>Its scale and appearance are well-suited to the surroundings while meeting the local need for a family home.</p> <p>I strongly encourage the council to approve this application, as it represents a valuable and considerate addition to our community.</p>
2024/4627/P	David Brierley	23/11/2024 08:24:18	NOBJ	<p>I would like to record my whole hearted support for this application.</p> <p>The applicant has consulted with his neighbours like myself, listened carefully to our thoughts, modified his original proposals and has put forward a sensitive scheme, which recognises the needs of his family yet the alterations in reality are sensible and when carefully studying the plans it can be seen that they result in minimal impact.</p> <p>As an authority Camden should be extremely supportive of sensitive applications which create good family homes for people with young children, rather than the constant "splitting & down sizing of properties" to add additional flats by developers.</p>
