

Existing Section - Upper Ground Floor - Internal Interventions.

1 : 50

Previously Consented Section / Consented Section For Information - Upper Ground Floor - Internal Interventions

1 : 50

Red line indicates the location of the existing lift shaft & required location of new doors.

Proposed Section - Upper Ground Floor - Internal Interventions

1 : 50

UGF Key Plan - Red line indicates the location of the existing lift

1 : 1000

- Key
- 1 - Existing Stone Cladding to be removed to create a new opening.
 - 2 - Existing Light fitting retained in this location.
 - 3 - Reconstituted panels to match existing and installed in these locations, it will be investigated if the existing panels can be reused.
 - 4 - New lift call button
 - 5 - New lift landing display
 - 6 - New goods lift door frame (in simulated brushed bronze finish to match existing on other floors).
 - 7 - Existing stone panels and lintel to remain. These will need to be carefully removed during lift opening works and re-installed.
