re. Gail's bakery, 42 Gloucester Avenue, NW1 8JD

Opening hours: 7 AM is too early. This is a largely residential corner, and the two other small independent food outlets nearby open later. Gails is a huge chain and would set up unfair competition.

I object to any illuminated lighting in- or outside this future cafe/bakery.

It's hard to understand exactly what is proposed. However, as far as I know there is NO illuminated lighting near the corner of Gloucester Avenue/Princess Road.

Permitting it would set an ugly precedent wholly inappropriate to this Conservation Area.
