2024/2628/P	Miss Rebecca Freedman	01/12/2024 22:09:42	OBJ	<p>I am writing to object to an important aspect of the proposed development.</p> <p>On the rear elevation, Houses 2 and 3 are provided with large 'new metal-framed double-glazed windows for the proposed first-floor rear bedrooms.</p> <p>The proposed new large window for House 2 will directly overlook our rear garden and have a direct view into the back of our property.</p> <p>Based on the proximity, these direct views into the back of our property will lead to a loss/invasion of privacy and overlooking.</p>
2024/2628/P	Hilary Floe	30/11/2024 20:27:24	OBJ	<p>As a local resident I am concerned about the proposed change of use of 1 Cobham Mews, which is a major early work by Sir David Chipperfield, widely recognised as one of the world's greatest architects. Reconfiguring studio spaces into multiple homes as proposed will require major alterations to the interior and exterior, destroying its flow, logic and architectural integrity. No clear rationale is given for the change and as studio space is very limited in this area, this should also be safeguarded as crucial to the creative economy.</p> <p>https://davidchipperfield.com/projects/agar-grove-studios</p>
