Dear Sir / Madam,

Town and Country Planning Act 1990 (as amended)
Re: Application for the installation of a Cycle Hire docking station (22 docking points maximum and a terminal) on the footway adjacent to 11 St Pancras Way, NW1 0PT, in the London Borough of Camden.

Planning Portal reference: PP-13531281

I enclose an application by Transport for London (TfL) for planning permission for the installation of a Cycle Hire docking station (22 docking points maximum) and a terminal, which will be located at the above address.

This application follows the [St Pancras Way – Cycle Hire Docking Station consultation](#) which occurred between the 14th October to the 4th November 2024. It is understood following the consultation 80% of respondents supported the proposal and thus the London Borough of Camden is recommending the installation of the cycle docking station on St Pancras Way.

The Cycle Hire scheme is now a familiar public transport mode which allows people to hire a cycle from a docking station and return it to either the same or another docking station. It also encourages active travel, offers a sustainable and low emission form of transport and provides users with the fastest option for many short journeys.

The proposal is described in full in the Planning, Design & Access Statement.

The application has been submitted via the Planning Portal. It consists of:

- Planning Application Form
- Community Infrastructure Levy (CIL) form
- Planning, Design and Access Statement – for information only
- Biodiversity Statement (within PDAS)

- Planning Application Drawings comprising:

Drawing Title	Drawing
St Pancras Way _LOC	Location Plan
St Pancras Way _EP	Existing Plan
St Pancras Way _GA	General Arrangement
St Pancras Way _TD	Terminal Design
St Pancras Way _DPD	Docking Point Design
St Pancras Way _FD	Foundation Design

I look forward to receiving confirmation that the application has been received and registered as complete.

If you wish to discuss this matter further, please do not hesitate to contact TfL on Michaelraby@tfl.gov.uk

Yours faithfully

Michael Raby
