2024/4338/P	James Edwards	03/12/2024 16:43:19	OBJ	As neighboring property in a flat on the second floor (directly opposite the proposed development site), we strongly oppose these applications. We fully support the detailed objections submitted by Mr. Weathered on behalf of 50 Downshire Hill. We wish to add the following: 1) The proposed building will cause significant light pollution to our property. 2) The windows will compromise privacy for our flat and others at Hampstead Hill Mansions. 3) The development would be over-development for the area, and appears pointless: it won't increase available dwellings We urge the Council to reject these applications.
