2024/4871/L	Jamie Edwards	03/12/2024 16:43:57	OBJ	<p>As neighboring property in a flat on the second floor (directly opposite the proposed development site), we strongly oppose these applications.</p> <p>We fully support the detailed objections submitted by Mr. Weathered on behalf of 50 Downshire Hill.</p> <p>We wish to add the following:</p> <ol style="list-style-type: none"><li>1) The proposed building will cause significant light pollution to our property.</li><li>2) The windows will compromise privacy for our flat and others at Hampstead Hill Mansions.</li><li>3) The development would be over-development for the area, and appears pointless: it won't increase available dwellings</li></ol> <p>We urge the Council to reject these applications.</p>
