### Trees - West side

Botanical Name	Girth(cm)	Height(m)	Clear Stem	Root Cond.	Form/ Habit	Min Breaks	Quant. (un.)
Acer opalus	20-25cm	4-4.5m	min 1.8m	air-potted or rootballed	Single-Stem	N/A	7
Alnus cordata	20-25cm	4-4.5m	min 1.8m	air-potted or rootballed	Single-Stem	N/A	5
Alnus glutinosa	6-8cm	2-2.5m	N/A	air-potted or rootballed	Single-Stem	N/A	3
Arbutus unedo	6-8cm	2-2.5m	N/A	air-potted or rootballed	Multi-stem	5	10
Carpinus betulus 'Pendula'	10-12cm	3-3.5m	N/A	air-potted or rootballed	Weeping	N/A	5
Celtis australis	N/A	0.6-0.8m	N/A	air-potted or cell grown	Single-Stem	N/A	3
Cornus mas	N/A	1-1.5m	N/A	air-potted or rootballed	Multi-stem	3	9
Corylus avellana	N/A	0.6-0.8m	N/A	air-potted or cell grown	Multi-stem	3	13
Crataegus monogyna	N/A	0.6-0.8m	N/A	air-potted or cell grown	Single-Stem	N/A	6
Amelanchier x lamarckii	N/A	3-3.5m	N/A	air-potted or cell grown	Multi-stem	5	3
Euonymus europaeus	N/A	0.6-0.8m	N/A	air-potted or cell grown	Multi-stem	3	11
Fagus orientalis	20-25cm	4-4.5m	min 1.8m	air-potted or rootballed	Single-Stem	N/A	8
Fraxinus americana	N/A	1-1.5m	N/A	air-potted or rootballed	Single-Stem	N/A	9
Fraxinus ornus	N/A	0.6-0.8m	N/A	air-potted or cell grown	Single-Stem	N/A	3
Liquidambar orientalis	20-25cm	4-4.5m	min 1.8m	air-potted or rootballed	Single-Stem	N/A	7
Malus sylvestris 'Louisa'	6-8cm	2-2.5m	N/A	air-potted or rootballed	Weeping	N/A	6
Ostrya carpinifolia	N/A	1-1.5m	N/A	air-potted or rootballed	Single-Stem	N/A	5
Pinus sylvestris	N/A	1-1.5m	N/A	air-potted or rootballed	Single-Stem	N/A	10
Prunus avium	10-12cm	3-3.5m	N/A	air-potted or rootballed	Single-Stem	N/A	7
Pyrus salicifolia 'pendula'	6-8cm	2-2.5m	N/A	air-potted or rootballed	Weeping	N/A	3
Quercus canariensis	20-25cm	4-4.5m	N/A	air-potted or rootballed	Single-Stem	N/A	5
Quercus frainetto	6-8cm	2-2.5m	N/A	air-potted or rootballed	Single-Stem	N/A	10
Quercus ilex	6-8cm	2-2.5m	N/A	air-potted or rootballed	Single-Stem	N/A	6
Sorbus aria	N/A	0.6-0.8m	N/A	air-potted or cell grown	Single-Stem	N/A	3
Sorbus torminalis	6-8cm	2-2.5m	N/A	air-potted or cell grown	Single-Stem	N/A	5
Taxus baccata	N/A	1-1.5m	N/A	air-potted or rootballed	Single-Stem	N/A	10
Tilia tomentosa	6-8cm	2-2.5m	N/A	air-potted or rootballed	Single-Stem	N/A	7
Ulmus 'New Horizon'	20-25cm	4-4.5m	min 1.8m	air-potted or rootballed	Single-Stem	N/A	5

total no. **184**

### **YW1 - Yew woodland - Indicative species**

#### **Botanical Name**

Asplenium scolopendrium  
Vinca minor  
Polygonatum odoratum  
Asarum europaeum  
Cyclamen coum  
Cyclamen hederifolium  
Helleborus orientalis  
Tellima grandiflora

Hyacinthoides non-scripta

### **BW1 - Broadleaf woodland with shade on light soils - Indicative species**

#### **Botanical Name**

Asplenium scolopendrium  
Brachypodium sylvaticum  
Convallaria majalis  
Glechoma hederacea  
Helleborus foetidus  
Lithospermum purpureocaeruum  
Polygonatum odoratum  
Primula veris  
Ruscus aculeatus  
Vinca minor  
Viola odorata  
Anemone sylvestris  
Asarum europaeum  
Cyclamen coum  
Cyclamen hederifolium  
Cyclamen repandum  
Daphne pontica  
Epimedium p. 'Fronleiten'  
Geranium macrorrhizum  
Helleborus orientalis  
Melittis melissophyllum  
Phlomis russeliana  
Pulmonaria longifolia/saccharata cvs  
Sesleria autumnalis  
Aster (Eurybia) divaricatus

Eranthis hyemalis  
Hyacinthoides non-scripta

## BW2 - Broadleaf woodland with sun on light soils - Indicative species

### Botanical Name

Asplenium scolopendrium  
Convallaria majalis  
Geranium sanguineum  
Glechoma hederacea  
Lithospermum purpureocaeruum  
Polygonatum odoratum  
Primula veris  
Ruscus aculeatus  
Teucrium scorodonia  
Vinca minor  
Viola odorata  
Anemone blanda  
Anemone sylvestris  
Asarum europaeum  
Aster pyrenaicus 'Luetetia'  
Campanula persicifolia  
Cyclamen coum  
Cyclamen hederifolium  
Cyclamen repandum  
Daphne pontica  
Geranium macrorrhizum  
Iris unguicularis  
Lathyrus vernus  
Paeonia officinalis  
Pulmonaria longifolia/saccharata cvs  
Sesleria autumnalis  
Aster (Eurybia) divaricatus  
Begonia grandis  
Gillenia trifoliata

Eranthis hyemalis  
Hyacinthoides non-scripta

## BW3 - Broadleaf woodland with shade on medium to heavy soils - Indicative species

### Botanical Name

Ajuga reptans  
Allium ursinum  
Aquilegia vulgaris  
Brachypodium sylvaticum  
Polygonatum odoratum  
Primula elatior  
Primula vulgaris  
Viola odorata  
Aruncus dioicus and cvs  
Asarum europaeum  
Campanula persicifolia  
Corydalis solida  
Cyclamen coum  
Cyclamen hederifolium  
Cyclamen repandum  
Daphne pontica  
Geranium macrorrhizum  
Lathyrus vernus  
Omphalodes verna  
Phlomis russeliana  
Pulmonaria longifolia/saccharata cvs  
Sesleria autumnalis  
Aster (Eurybia) divaricatus  
Begonia grandis  
Brunnera macrophylla

Eranthis hyemalis  
Hyacinthoides non-scripta

## BW4 - Broadleaf woodland with sun on medium to heavy soils - Indicative species

### Botanical Name

Ajuga reptans  
Allium ursinum  
Aquilegia vulgaris  
Polygonatum odoratum  
Primula elatior  
Primula vulgaris  
Viola odorata  
Anemone blanda  
Aruncus dioicus and cvs  
Asarum europaeum  
Aster pyrenaicus 'Luetetia'  
Campanula persicifolia  
Corydalis solida  
Cyclamen coum  
Cyclamen hederifolium  
Cyclamen repandum  
Daphne pontica  
Epimedium p. 'Fronleiten'  
Geranium macrorrhizum  
Lathyrus vernus  
Melittis melissophyllum  
Omphalodes verna  
Paeonia officinalis  
Phlomis russeliana  
Pulmonaria longifolia/saccharata cvs  
Sesleria autumnalis  
Begonia grandis  
Clematis heracleifolia  
Gillenia trifoliata  
Melittis melissophyllum

Eranthis hyemalis  
Hyacinthoides non-scripta

## BW5 - Broadleaf woodland with shade on heavy soils - Indicative species

### Botanical Name

Ajuga reptans  
Allium ursinum  
Polygonatum odoratum  
Primula elatior  
Primula vulgaris  
Succisa pratensis  
Viola odorata  
Aruncus dioicus and cvs  
Asarum europaeum  
Corydalis solida  
Cyclamen coum  
Cyclamen hederifolium  
Cyclamen repandum  
Epimedium p. 'Fronleiten'  
Geranium macrorrhizum  
Lunaria rediviva  
Sesleria autumnalis  
Anemone x hybrida  
Begonia grandis

Eranthis hyemalis  
Hyacinthoides non-scripta

## **BW6 - Broadleaf woodland with sun on heavy soils - Indicative species**

### **Botanical Name**

Ajuga reptans  
Allium ursinum  
Aquilegia vulgaris  
Primula elatior  
Primula vulgaris  
Succisa pratensis  
Viola odorata  
Anemone blanda  
Aruncus dioicus and cvs  
Asarum europaeum  
Corydalis solida  
Cyclamen coum  
Cyclamen repandum  
Epimedium p. 'Fronleiten'  
Geranium macrorrhizum  
Geranium x magnificum  
Phlomis russeliana  
Sesleria autumnalis  
Gillenia trifoliata  
Lamium orvala

Eranthis hyemalis  
Hyacinthoides non-scripta

## **WW1 - Wet woodland with shade on heavy soils - Indicative species**

### **Botanical Name**

Ajuga reptans  
Brachypodium sylvaticum  
Caltha palustris  
Carex sylvaticum  
Persicaria bistorta 'Superbum'  
Polemonium caeruleum  
Primula elatior  
Primula vulgaris  
Matteuchia struphiopteris  
Anemone x hybrida  
Rodgersia aesculifolius  
Smilacinea racemosa

Leucojum aestivum

## WW2 - Wet woodland with sun on heavy soils - Indicative species

### Botanical Name

Ajuga reptans  
Caltha palustris  
Osmunda regalis  
Polemonium caeruleum  
Primula elatior  
Primula vulgaris  
Silene flos-cuculi  
Succisa pratensis  
Aruncus dioicus and cvs  
Euphorbia palustris  
Smilacina racemosa

Leucosium aestivum

## SA1 - Stream with sun on heavy soils - Indicative species

### Botanical Name

Eupatorium cannabinum  
Caltha palustris  
Iris pseudacorus  
Juncus effusus  
Lythrum salicaria  
Osmunda regalis  
Euphorbia palustris  
Iris sibirica

Leucosium aestivum

## HP1 - High profile areas - West and East side - edges of paths - Indicative species

### Botanical Name

Anemone x hybrida cvs  
Aruncus 'Horatio'  
Asarum europeaeum  
Aster (Eurybia) divaricatus  
Begonia grandis  
Bergenia cvs  
Ceratostigma plumbaginoides  
Cyclamen coum  
Epimedium 'Frohleiten'  
Geranium macrorrhizum  
Geranium 'Rosanne'  
Geranium x magnificum  
Hakonechloa macra  
Hedychium spp.  
Helleborus x hybridus  
Liriope muscari  
Polystichum polybletharum  
Polystichum setiferum 'David Howard'  
Stachys 'Big Ears'  
Stachys 'Hummelo'  
Tiarella cordifolia  
Vinca minor  
Waldsteinia geoides

Convallaria majalis  
Eranthis hyemalis

## HP1 - High profile areas - West side - Courtyard - Shrubs, herbaceous and bulbs - Indicative species

### Botanical Name

Fuchsia magellanica 'Alba'  
Cornus mas  
Hydrangea quercifolia  
Philadelphus coronarius  
Rosa tomentosa  
Sarcococca hookeriana  
Symphoricarpos albus  
Viburnum lantana  
Viburnum opulus

Blechnum spicant  
Dryopteris erythrosora 'Brilliance'  
Erigeron karvinskianus  
Euphorbia amygdaloides var. robbiae  
Eurybia divaricata  
Geranium phaeum 'Lily Lovell'  
Gillenia trifoliata  
Helleborus orientalis  
Luzula nivea  
Pachysandra terminalis  
Polystichum setiferum

Chionodoxa forbesii 'Blue Giant'  
Galanthus nivalis

## HP1 - High profile areas - West side - Egyptian Avenue - Shrubs, herbaceous and bulbs - Indicative species

### Botanical Name

Chaenomeles speciosa  
Cornus mas  
Cornus sanguinea  
Osmanthus x burkwoodii  
Rhamnus frangula  
Ribes sanguineum  
Syringa vulgaris  
Viburnum opulus

Achillea millefolium  
Deschampsia cespitosa  
Geranium phaeum 'Album'  
Leucanthemum vulgare  
Polystichum setiferum 'Herrenhausen'  
Rosa canina  
Sanguisorba officinalis  
Succisella inflexa 'frosted pearls'

Crocus tommasinianus 'Whitewell Purple'  
Galanthus nivalis

## HP1 - High profile areas - West side - Circle of Lebanon- Shrubs, herbaceous and bulbs - Indicative species

### Botanical Name

Aruncus 'Horatio'  
Carex remota  
Deschampsia cespitosa  
Eurybia divaricata  
Hakonechloa macra  
Lilium martagon  
Luzula sylvatica  
Primula eliator  
Primula sieboldii  
Primula vulgaris

Crocus tommasinianus 'Whitewell Purple'  
Galanthus nivalis  
Leucojum aestivum 'Gravetye Giant'  
Leucojum vernum  
Narcissus 'Jenny'

## HP1 - High profile areas - West side - Inner Graveside Planting - Shrubs - Indicative species

### Botanical Name

Callicarpa bodinieri  
Chimonanthus praecox  
Corylopsis pauciflora  
Euonymus europaeus  
Hamamelis virginiana  
Jasminum nudiflorum  
Lonicera standishii  
Rhododendron ovatum  
Rosa canina  
Ruscus aculeatus  
Sambucus nigra  
Sarcococca hookeriana  
Symphoricarpos albus  
Syringa oblata  
Viburnum lantana  
Viburnum opulus  
Viburnum tinus

## HP1 - High profile areas - West side - Graveside Planting - Herbaceous and planting - Indicative species

### Botanical Name

Blechnum spicant  
Dicentra spectabilis  
Dryopteris filix-mas  
Epimedium x versicolor Sulphureum  
Erigeron karvinskianus  
Fragaria vesca  
Galium odoratum  
Geranium phaeum 'Album'  
Helleborus orientalis  
Polygonatum x hybridus  
Polystichum setiferum 'Herrenhausen'  
Primula vulgaris

Crocus tommasinianus  
Galanthus nivalis  
Leucojum vernum

## HP1 - High profile areas - East side - Main Entrance - Shrubs, herbaceous and bulbs - Indicative species

### Botanical Name

Chaenomeles speciosa  
Cornus mas  
Cornus sanguinea  
Osmanthus x burkwoodii  
Rhamnus frangula  
Ribes sanguineum  
Syringa vulgaris  
Viburnum opulus

Achillea millefolium  
Deschampsia cespitosa  
Geranium phaeum 'Album'  
Leucanthemum vulgare  
Polystichum setiferum 'Herrenhausen'  
Rosa canina  
Sanguisorba officinalis  
Succisella inflexa 'frosted pearls'

Crocus tommasinianus 'Whitewell Purple'  
Galanthus nivalis

## HP1 - High profile areas - East side - South Entrance - Shrubs, herbaceous and bulbs - Indicative species

### Botanical Name

Cornus sanguinea  
Osmanthus x burkwoodii  
Rhamnus frangula  
Ribes sanguineum  
Syringa vulgaris  
Viburnum opulus  
Viburnum tinus

Achillea millefolium  
Daucus carota  
Deschampsia cespitosa  
Geranium phaeum 'Album'  
Leucanthemum vulgare  
Sanguisorba officinalis  
Scabiosa columbaria  
Succisella inflexa 'frosted pearls'

Crocus tommasinianus 'Whitewell Purple'  
Galanthus nivalis

## EM1 - Embankments - herbaceous - Indicative species

### Botanical Name

Magnolia laevigata 'Fairy White'

Viburnum tinus 'Purpureum'

Asarum europeaeum

Aster (Eurybia) divaricatus

Bergenia cvs

Ceratostigma plumbaginoides

Epimedium 'Frohleiten'

Fasicularia bicolor

Geranium macrorrhizum

Geranium 'Rosanne'

Geranium x magnificum

Helleborus x hybridus

Ruscus hypoglossum

Sarcococca sp.

Vinca minor

Galanthus elwesii

Galanthus nivalis

Hyacinthoides non-scripta

## GD1 - Dry grassland meadows on medium soils - Indicative species

### Botanical Name

Campanula glomerata

Cruciata laevipes

Galium verum

Knautia arvensis

Leucanthemum vulgare

Malva moschata

Oenanthe pimpelinoides

Origanum vulgare

## **GW1-wet grassland meadows with sun on heavy soils - Indicative species**

### **Botanical Name**

Ajuga reptans  
Iris latifolia  
Narcissus pseudonarcissus  
Primula elatior  
Primula vulgaris  
Ranunculus acris  
Silene flos-cuculi  
Stachys officinalis  
Succisa pratensis

## **GG1- grassland meadows with sun on heavy soils - Indicative species**

### **Botanical Name**

Ajuga reptans  
Primula elatior  
Primula vulgaris  
Ranunculus acris  
Silene flos-cuculi  
Stachys officinalis  
Succisa pratensis

## **SP1 - Species rich lawns with sun on heavy soils - Indicative species**

### **Botanical Name**

Ajuga reptans  
Bellis perennis  
Lotus corniculatus  
Primula vulgaris  
Primula vulgaris  
Veronica chamaedrys

## SU1- SUDS

### Botanical Name

Deschampsia cespitosa  
Eupatorium cannabinum  
Euphorbia palustris  
Iris sibirica  
Juncus effusus  
Libertia grandiflora  
Silene flos-cuculi  
Succisa pratensis

Camassia leichtlinii subsp. Leichtlinii

## HR1 - Hedgerows - Drier upper areas

### Botanical Name

Acer campestre  
Cornus sanguinea  
Crataegus oxycantha  
Euonymus europaeus  
Ilex aquifolium  
Ligustrum vulgare  
Prunus spinosa  
Viburnum lantana

## HR1 - Hedgerows - Moister low areas

### Botanical Name

Acer campestre  
Corylus avellana  
Crataegus oxycantha  
Rhamnus cathartica  
Viburnum opulus
