

- NOTES:
- The internal layouts within office floor space and ancillary areas of buildings may be subject to design development.
  - The precise location of walls, internal doors, columns, risers and the detailed layout of office areas may be the subject of non-material changes and may vary from the internal layouts set out in these plans.
  - These minor alterations should not affect the position and arrangements of external doors and windows nor should they affect the relative relationship between habitable rooms and windows.
  - Landscape indicative only.
  - Plant indicative only.
  - All materials shown or highlighted are indicative only and may be subject to changes made during detailed design development.
  - Roof and terrace layouts are indicative only.
  - Illustrative ground floor layout plan.
