2024/4531/P	Richard Paul	04/12/2024 17:38:48	SUPPRT	<p>Dear Ms Muthoora,</p> <p>We have been made aware of the application for dormer works to the property and are writing in support of the application.</p> <p>We own the car park that abuts the side of the property and share an adjoining wall.</p> <p>The property has been vacant for two years since the unfortunate events surrounding the fire at the property and we would welcome what appears to be a considered design to enable an owner occupier to once again inhabit and take care of the property.</p> <p>In the two years that the property has been vacant there have been break ins at the house and instances of intruders into our car park from the property.</p> <p>The proposals for the property would undoubtedly be an improvement on what is a slightly awkward building and would revitalise it for the new occupiers into the future.</p>
