

Key Plan
NTS

NOTES

1. Drawing illustrates design intent only and should not be used for construction.
2. Proposed items noted in **BLUE**
3. Proposed M&E items designed by contractor highlighted in **GREEN**. All services and structure to contractor's design.
4. Services to use existing notches and holes wherever practically possible. Where further holes/ notches required to structure, refer to structural engineer.

Freestanding sink unit abutted to existing paneling. All existing paneling to be retained

Modern timber cabinets removed.
Views through window re-established

Existing main floor beam

Freestanding tower taps or bath-mounted TBC
(note: same impact on structure).

New sink waste pipe to utilise existing notch to main floor beam.
Allow for minor widening to existing beam to facilitate 32mm waste. 15mm water pipes to use existing notches / holes.

Allow for additional strut between joists for further structural support. All structure to contractor's design.

Notes

1. Any dwg format drawing is to be read in conjunction with and at the scale of the accompanying pdf.
2. Where colours other than black or grey are used, the drawing must be plotted in colour.
3. For status 'C' (Construction) drawings all dimensions are to be checked on site by the contractor, scaling is for Local Authority purposes only.
4. Unless otherwise indicated, all dimensions are in millimeters.
5. All information on this drawing is to be read in conjunction with the relevant Donald Insall Associates specification and trade contractors' drawings and information by specialists.
6. In the event of any discrepancy, please contact us immediately.
7. This drawing may contain survey information by others and is to be used solely for the purposes for which it was issued.
8. These are uncontrolled documents issued for information purposes only. If you have any queries regarding the drawings, please contact DIA immediately.
9. Please note DIA cannot be held responsible for any errors arising from changes made to an uncontrolled dwg file.
