To take responsibility of the end to end IT purchasing activities, from creating the requirement specification, approval, sourcing suppliers, evaluation, award, raising Purchase orders and supplier payments. Ensuring quality and best value is achieved from all procurement.

Your work will help the Council save money, minimise waste and increase efficiencies. You will consider factors such as sustainability, social value, risk management and ethical issues on all procurement and support an integrated approach to the development of procurement strategy.

The things you'll achieve

- Take responsibility for managing IT purchase order process in compliance with Councils Financial Regulations, Contract Standing Orders, Procurement and IT standards.
- To collect, review and report on supplier service and contract performance data.
- Investigate and resolve routine supplier payment disputes, ensuring delivery is satisfactory and as per requirement before any payments are authorised.
- Monitor all IT Purchase Orders (PO), ensuring goods receipt and invoice payment are within agreed periods. Completed and unfilled PO's are closed/cancelled to prevent financial risk.
- Support the Commercial and Contract Managers with effective management of contracts.
- Manage routine communication with suppliers, to ensure successful delivery of products and services, as well maintaining supplier relationships.
- Monitor demand and ensure supply of commonly requested IT goods are stocked to minimise downtime.
- Identify innovative ways to purchase goods and service, preventing waste and ensuring best value is achieved from all purchases.
- Ensure, request for day-to-day IT kit is completed within agreed SLA.
- Provide training and development to Purchasing Officers, ensuring staff are fully aware of changes in regulation, processes and systems.
- Produce management reports on team performance, trends and explore ways to improve effectiveness and efficiency.
- Keep purchasing policy and process documentations up to date.

About you

- CIPS qualification, or equivalent industry experience.
- Proficient in understanding the products and/ or services supplied to the Council by external suppliers.
- Proficient in product evaluation and selection (the analytical comparison of IT products against specified criteria, including costs, to determine the solution which best meets the business need).
