2024/5049/T	oliver	09/12/2024 10:07:10	OBJ	<p>whist we have no objection for tree T2 (Osmanthus) being felt we object to trees T4, T3 and T1 being felt.</p> <p>These trees provide amenity to the neighborhood and rather than being felt should be trimmed instead if need be.</p> <p>One will also note that trees T5, T4 and T3 are located in an area designated as green corridor in the Hampstead Neighbourhood Plan.</p>
