**Current Waste Management in  
Queens Yard:  
Street View**

**Proposed Door Location 179a:**  
Street View

The current Fire Emergency Exit Door will be moved to the adjacent wall and the Bike Rack moved further down Queens Yard.

This will then allow for the Mesh Cage to be erected which will be able to store up to 9 bins

## Proposed Waste Management in

## Queens Yard:

Street View

Height: 1.80m

Width: 4.775m

Length: 3.048m
