Reference: 2024/0958/P - Planning condition 6

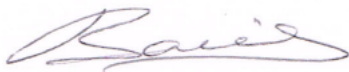

Dear Will,

In reference to the proposed works to extend the basement at Redington Road, please see below for our proposed scope to cover monitoring works:

- * Review of proposed structural drawings
- * Review of temporary works and construction sequence
- * 3no. site visits and associated reports during the basement construction

This work would be completed by chartered members of the Institute of Civil Engineers.

Yours Sincerely,

Jess Davies CEng MICE
Associate
