2024/5022/P	Kurinchi Gurusamy	16/12/2024 00:05:26	INT	<p>Dear planning officer,</p> <p>There are many parking spaces in this road which are similar to my existing parking space. Therefore, unless all parking spaces in this road are evaluated, this appears to be a review of only my parking space based on an incorrect application by someone who wants to decrease the value of my property. If new rules are to be applied, these should be applied to all parking spaces in this road.</p> <p>Otherwise, I should be provided compensation for the loss of my parking space which is registered as a parking space for 30 years in my lease and in the HM Land Registry.</p>
