

PROPOSED FRONT ELEVATION

No.57

No.59 Agar Grove

No.61

GENERAL NOTES:

This drawing is to be read in conjunction with the contract specification, the engineer's drawings and specification, and where appropriate the drawings and specifications prepared by relevant sub contractors.

All works are to be undertaken in accordance with the Building Regulations and the latest British Standards and Codes of Practice. The contractor must obtain Building Control permissions as necessary and appropriate.

All proprietary materials and products are to be used strictly in accordance with the manufacturers recommendations.

This drawing must not be scaled. All dimensions are to be checked on site prior to construction and any anomalies reported to architect.
