and wish to object to the Application to add a second storey to 47 Ornan Road.

All houses on the south side of Ornan Road from 163 [near the Premier Inn Hotel] the whole length of the road and continuing westwards onto Belsize Lane until Belsize Village are two storeys. Most if not all have been extended sideways, of rearwards into the gardens, or downwards to lower ground floors. This gives a harmonious and light street. If 47 extends upwards it is a safe prediction that others will follow. and over time change the street irrevocably.

i suggest 47 considers alternative solutions.
