Dear Sir,

I have filled in the online form, but wanted to be sure this arrives to you, so I am sending the same also by email.

Yours truly,

Planning Application - 2024/5389/P Site Address47 Ornan Road London NW3 4QD

OBJECTION

I totally oppose the erection of an additional floor to this house.

First of all, the erection of an additional storey would block light into my flat, and privacy.

Furthermore, this would create a terrible and out of character precedent for Ornan Road where all the houses are of the same height. I was already surprised that a roof terrace had been allowed on this property and had inquired with the council about it.

47 Ornan Road is already a large house and a further storey would be only detrimental to the neighbours and out of character with the rest of Ornan Road, rather than strictly necessary.
